----------------------	---------------	-----------------

<sup>1</sup> Add 3% for credit card purchases. Prices include delivery in the Miles City, Montana area. Prices are subject to change without notice.

<sup>2</sup> Monthly payment for 36-months for a base price building – does not include any additional options. For qualified buyers.

It is the purchaser's obligation to: 1) Ensure that the condition of the roads and access to, and the area where the building is to be placed, are suitable for the delivery vehicle. 2) Ensure that the ground where the building is to be placed has been properly prepared for level placement and setup. 3) Acquire any necessary permits. 4) Perform due diligence regarding: covenants, permits, restrictions, underground and above ground hazards and possible damage and set backs. 5) Anchor structure(s) properly to prevent damage caused by wind and other hazards. Star Structures is not responsible for any violations of #4 above, nor is it responsible for any damage caused by the normal delivery and setup of a building.
